Dear Br. Phelps.

48

We must keep friends notified of our progress in the world, & I write to tell you that we have another little girl. She is doing well as yet. & we hope she may not be put back as before.

How do you & yours do? I have heard nothing from you for a long time, except that I see your name in the report of the Infidel Convention. Your defence of the Ministry has interested me much. I am mortified that I cannot introduce the "American" among my people to a greater extent. It is a capital paper & I hope will be sustained. Shall probably not be in Boston in May. Shall we not have a pleasure of a visit from you & your little family this Spring? With us a kind remembrance to you all.

Yours &c

E. D. Moore
